Credit information

Needs attention

A company's credit score is used to determine the financial health and risk of the business.

Credit risk factors

Looking good

The underlying criteria that credit bureaus use to calculate the credit score.

- Positive impact: 1
- Negative impact: -
- Neutral impact: 13

Risk factors

Annual accounts

Last accounts filed 31st March 2024

Positive Impact

Based on your latest publicly filed financial statements at Companies House.

Accounts filed on time

Good job! The company's accounts were filed at Companies House on time. Make sure you continue to file your accounts in a timely manner.

• Neutral

Regular accounts filing

Filing your annual company accounts in a regular pattern is sign of good behaviour in the eyes of Credit Reference Agencies like Experian, as it demonstrates consistency in your business activities.

• Neutral

Efficient use of invested capital

High capital employed or positive return on capital, suggests that a company is generating more profit with each unit of capital invested, indicating efficient use of resources.

• Neutral

Large asset base

A sizable asset base can indicate that a company has reached a certain level of stability and maturity in its industry. A solid asset base can be deemed as a foundation to support ongoing operations and growth initiatives, and can provide valuable collateral that lenders can use to mitigate their risks when extending credit.

• Positive

Company information

Neutral Impact

Overview of your company's general information declared on your annual confirmation statement.

Company filings up to date

Good job! Company and director details are all up to date at Companies House. The company Confirmation Statement was filed on time, and must be filed at least once every 12 months, even if there are no changes to report.

• Neutral

Established for a long period

The company has been established and operating for a significant number of years compared to other companies of a similar size. This suggests stability and expertise in your industry.

• Neutral

Located in a low risk region

The registered address of the company is considered to be in a low risk region.

• Neutral

Operating in a lower risk industry

The company is registered publicly and operating in what is considered to be a low risk sector of the economy. • Neutral

No security available to leverage

The company does not have any mortgages or charges registered as security at Companies House. Secured debt gives a higher level of assurance that the company has valuable assets that can be used as collateral to honour its debt obligations. • Neutral

Directors' Commercial Experience

Neutral Impact

Publicly held information on your current board of directors and a review of their past/present business activities.

Above average number of directors

The number of appointed directors is considered to be above average compared to other companies of a similar age and size. A larger number of directors suggests healthy growth in the business, which may benefit from a diverse range of expertise and experience. • Neutral

Experienced board of directors

The average age of the company's board of directors is older compared to other companies of a similar size or age. This suggests that the business can benefit from a diverse range of expertise and experience. • Neutral

Positive director activities

The company's directors have no previously failed or closed companies detected. Previous failures raises concerns regarding the long term stability of the company. • Neutral

Legal notices

Neutral Impact

Overview of any derogatory notices registered against your company at county court or in gazettes.

No gazette notices recorded

No significant adverse gazette notices have been recorded against the company. Keep up the good work of settling credit on time and maintaining good relationships with partners. • Neutral

No County Court Judgements recorded

No county court judgements have been registered against the company. Keep up the good work • Neutral of settling credit on time and maintaining good relationships with partners.

Public Record

A quick overview of your company records which are registered publicly at Companies House.
