Directors' Commercial Experience

Negative Impact

Publicly held information on your current board of directors and a review of their past/present business activities.

Below average number of directors

The number of appointed directors is considered to be below average compared to other companies of a similar age and size. A smaller number of directors raises concerns due to a possible lack of diverse range of expertise and experience in the business.

• Negative

Experienced board of directors

The average age of the company's board of directors is older compared to other companies of a similar size or age. This suggests that the business can benefit from a diverse range of expertise and experience.

• Neutral

Positive director activities

The company's directors have no previously failed or closed companies detected. Previous failures raises concerns regarding the long term stability of the company.

• Neutral

Payment performance

Negative Impact

How your company performs when making payments to suppliers and whether you are settling within or beyond terms.

Slower payments compared to industry average

The settlement of trade credit is on average slower compared to other companies of a similar age and size.
