Credit risk factors

Needs attention

The underlying criteria that credit bureaus use to calculate the credit score.

- Positive impact: -
- Negative impact: 2
- Neutral impact: 13

Risk factors

Annual accounts

Last accounts filed 31st May 2023

Negative Impact

Based on your latest publicly filed financial statements at Companies House.

Accounts filed on time

Good job! The company's accounts were filed at Companies House on time. Make sure you continue to file your accounts in a timely manner.

• Neutral

Regular accounts filing

Filing your annual company accounts in a regular pattern is sign of good behaviour in the eyes of Credit Reference Agencies like Experian, as it demonstrates consistency in your business activities.

• Neutral

Inefficient use of invested capital

Low capital employed or a low return on capital, suggests that a company is not effectively utilising its invested capital to generate profits.

• Negative

Small asset base

An asset-light business can offer advantages in terms of flexibility and efficiency, but it may also expose a company to certain risks, such as reliance on external suppliers and a lack of collateral that can be leveraged by lenders to mitigate their risks when extending credit.

• Negative

Company information

Neutral Impact

Overview of your company's general information declared on your annual confirmation statement.

Company filings up to date

Good job! Company and director details are all up to date at Companies House. The company Confirmation Statement was filed on time, and must be filed at least once every 12 months, even if there are no changes to report.

• Neutral

Established for a long period

The company has been established and operating for a significant number of years compared to other companies of a similar size. This suggests stability and expertise in your industry.

• Neutral

Located in a low risk region

The registered address of the company is considered to be in a low risk region.

• Neutral

Operating in a lower risk industry

The company is registered publicly and operating in what is considered to be a low risk sector of the economy.

• Neutral

No security available to leverage

The company does not have any mortgages or charges registered as security at Companies House. Secured debt gives a higher level of assurance that the company has valuable assets that can be used as collateral to honour its debt obligations.

• Neutral

Directors' Commercial Experience

Neutral Impact

Publicly held information on your current board of directors and a review of their past/present business activities.

Above average number of directors

The number of appointed directors is considered to be above average compared to other companies of a similar age and size. A larger number of directors suggests healthy growth in the business, which may benefit from a diverse range of expertise and experience.

• Neutral

Experienced board of directors

The average age of the company's board of directors is older compared to other companies of a similar size or age. This suggests that the business can benefit from a diverse range of expertise and experience.

• Neutral

Positive director activities

The company's directors have no previously failed or closed companies detected. Previous failures raises concerns regarding the long term stability of the company.

• Neutral

Payment performance

Neutral Impact

How your company performs when making payments to suppliers and whether you are settling within or beyond terms.

Quicker payments compared to industry average

The settlement of trade credit is on average quicker compared to other companies of a similar age and size.

• Neutral

Legal notices

Neutral Impact

Overview of any derogatory notices registered against your company at county court or in

gazettes.

No gazette notices recorded

No significant adverse gazette notices have been recorded against the company. Keep up the good work of settling credit on time and maintaining good relationships with partners.

• Neutral

No County Court Judgements recorded

No county court judgements have been registered against the company. Keep up the good work of settling credit on time and maintaining good relationships with partners.

• Neutral

Public Record

A quick overview of your company records which are registered publicly at Companies House.
