Credit risk factors

Looking good

The underlying criteria that credit bureaus use to calculate the credit score.

- Positive impact: 1
- Negative impact: -
- Neutral impact: 10

Risk factors

Overview of your company's general information declared on your annual confirmation statement.

Company secretarial

Good job! Company and director details are all up to date at Companies House. The company Confirmation Statement was filed on time, and must be filed at least once every 12 months, even if there are no changes to report. • Neutral

Incorporation date

The company has been established and operating for a significant number of years compared to other companies of a similar size. This suggests stability and expertise in your industry. • Neutral

Registered address

The registered address of the company is considered to be in a low risk region. • Neutral

Industry and sector

The company is registered publicly and operating in what is considered to be a low risk sector of the economy. • Neutral

The company does not have any mortgages or charges registered as security at Companies House. Secured debt gives a higher level of assurance that the company has valuable assets that can be used as collateral to honour its debt obligations. • Neutral

Directors' Commercial Experience

Positive Impact

Publicly held information on your current board of directors and a review of their past/present business activities.

Appointed directors

The number of appointed directors is considered to be above average compared to other companies of a similar age and size. A larger number of directors suggests healthy growth in the business, which may benefit from a diverse range of expertise and experience.

• Positive

The average age of the company's board of directors is older compared to other companies of a similar size or age. This suggests that the business can benefit from a diverse range of expertise and experience.

• Neutral

The company's directors have no previously failed or closed companies detected. Previous failures raises concerns regarding the long term stability of the company.

• Neutral

Payment performance

Neutral Impact

How your company performs when making payments to suppliers and whether you are settling within or beyond terms.

Industry payment standards

The settlement of trade credit is on average quicker compared to other companies of a similar age and size.

• Neutral

Overview of any derogatory notices registered against your company at county court or in gazettes.

Gazette notices

No significant adverse gazette notices have been recorded against the company. Keep up the good work of settling credit on time and maintaining good relationships with partners. • Neutral

Registered county court judgment

No county court judgements have been registered against the company. Keep up the good work of settling credit on time and maintaining good relationships with partners. • Neutral

Public Record

A quick overview of your company records which are registered publicly at Companies House.
